## Lesson 4 - Skill 2 - DIGRAPHS – ch sh th wh

**Directions:** Here we want to see if you can pick the letters that spell each picture word. Say the picture word slowly. Guess the letter or letters that make the beginning sound and write it below the question mark. Next, say the word again and listen for the middle vowel sound. Circle that letter and write it in the space. Say the word one more time and circle the letter or letters that make the last sound. Write that neatly in the space provided.
