## Lesson 4 - Skill 3 - DIGRAPHS – ch sh th wh

**Directions:** Here we want to see if you can pick the letters that spell each picture word. Say the picture word slowly. Circle the letter or letters that make the beginning sound. Write it in the space provided. Next, say the word again and listen for the middle vowel sound. Circle that letter and write it in the space provided. Say the word one more time and listen for the last sound. Write that neatly in the space below the question mark.
