## Lesson 4 - Skill 4 - DIGRAPHS - ch sh th wh

Directions: Here we want to see if you can pick the letters that spell each picture word. Say the picture word slowly. Circle the letter or letters that make the beginning sound. Write it in space provided. Next, say the word again and listen for the middle vowel sound. Write that letter in the space below the question mark. Say the word one more time and circle the letter or letters that make the last sound. Write that neatly in the space provided.
